

LEAK-PROOF LIVE FLOORS® FOR COMPOST & FOOD WASTE

Hallco's LIVE FLOORS® are designed for businesses who handle food waste, scraps and surplus bound for composting.

- Fast and complete automated unloading of trucks and trailers
- Leak-proof when combined with Hallco's Brute™ front-mount drive unit*
- Floors are available in sizes to fit any truck or trailer
- Engineered for years of reliable operation
- Quick snap-in sub-deck with your choice of Hallco deck slat; from light-weight standard deck to the heavy duty Double Ridge

Hallco Double Ridge Floor
